1981 budget appendix page	Heading	1981 budget request	1981 proposed amendment	1981 revised request
981	*Commission on Wartime Relocation and Internment of Civilians, Salaries and expenses* (Insert the above heading and the appropriation language that follows immediately after the material under the heading "Commission on Federal Paperwork":) *For expenses necessary for the Commission on Wartime Relocation and Internment of Civilians, $1,500,000, to remain available until expended.*		$1,500,000	$1,500,000

This appropriation request would fund the operation of the Commission on Wartime Relocation and Internment of Civilians. The Commission, which was established by Public Law 96–317, would investigate abuses relating to the internment of Japanese and Aleut people during World War II. This proposal would increase 1981 outlays by $1.0 million.
